Convert your Spark into a Trixx with ease

Extended Range Variable Trim System (VTS)

This Sea-Doo exclusive accessory lets you exaggerate how high you can raise the nose or how deep you can bury it in the water.

We highly recommend purchasing the Step Wedges for installation as they're a great combination.

Step Wedges

These personal water step wedges give you the stability and confidence to master new moves.

With a rear footrest tilted at a perfect 45 degrees, standing tall on your watercraft for those jaw-dropping tail stands just got easier.

Trixx for 2 Seat Kit

Splash into twice the tricks with this seat, designed to convert your single-seater into a 2-up in a flash.
